

HD Heights Inc.
Making Difference

CORPORATE PROFILE

COMPANY PROFILE

We take this opportunity to introduce HD Heights Inc., as one of the preferred supplier of products required by Oil & Gas and other manufacturing industries worldwide. Heights Inc., is managed by of group of professionals with years of experience in the Oil and Gas and other manufacturing fields. Our senior management have not only held key position in their organizations but also have experience in dealing with various clients worldwide that includes several developing nations like Middle East, Asia and Africa. HD Heights Inc., is located in Houston, Texas, USA . We have procurement facility for major Oil and petrochemicals Companies in the world and we are one of the preferred suppliers to various Oil and Gas, Steel, Mining, Fertilizer and Cement producing companies. The company is managed by highly qualified professionals and has excellent HSEQ standards. HD Heights Inc is a dependable supplier who can offer a complete procurement solution to our customers.

WHY HD HEIGHTS INC.

Our Customer can avail following benefits from us.

- ➔ Dependability - Meeting deadlines
- ➔ Competitive pricing.
- ➔ Commitment to Safety, Quality and Environment.
- ➔ Stability.
- ➔ Response Time
- ➔ Long term commitment and reliability.
- ➔ Latest Information Technology

OUR CORE VALUES

Following four primary values that define the ethical standards that shape how we work individually, together and with partners are:

- ➔ RESPECT to individual
- ➔ TEAMWORK
- ➔ INTEGRITY.
- ➔ EXCELLENCE AT WORK.

We value customer's feedback in every aspect of our business and do our best to implement them. We believe that who we are is as important as what we do

SERVICES OFFERED

We are a team of experienced professionals. Our specially designed intelligent software system provides real time data on customers buying pattern. With historical data we provide feedback to customer on their buying behaviors and this also helps us to negotiate much better deal from product providers. Our intelligent negotiating skills help customers to get better deal for their procurement needs.

We also have technical expertise to work for Oil field development projects for our clients, either directly with their project engineers or via the design contractor. typically, our involvement in procurement starts on receipt of the specifications and RFQ or MTOs. Tenders are sought, evaluated and findings submitted to our clients for their decision. From then on we manage the complete process from negotiation and award, pre shipment inspection, to shipping and submission of final document packages. We also arrange assistance in commissioning requirements. Through our extensive supplier base, purchasing power and relationship with our vendors we have been able to obtain very attractive pricing for our clients

Logistic Solutions:

We have diverse experience in international shipping, not only arranging shipments to destination for our clients but also managing and administering freight forwarding contracts. Not many exporters' takes such responsibilities. Thanks to our Investment in information Technology which saves time and money for our customers including manpower. We can provide additional services in this area if our clients requires it. Our experience in managing the shipping function eliminates costly operations for our customers.

Global Operations:

Our team has years of experience in supporting international upstream operations. We are highly tuned in to the demands faced by operators in remote locations where requirements are time critical. The range of goods supplied includes oilfield equipment's, spare parts, marine hose and valves, safety products through supplies and other Industrial consumables. We liaise closely with clients' shipping agents to affect prompt despatch to site or arrange shipping on their behalf

One Stop Solution:

We can offer considerable savings in procurement cost for our customers by providing one stop solution for their varied requirement. Customer can take advantage of our integration expertise of products from various sources and even from various countries worldwide. This strength of ours gives us a competitive edge over competition. Thanks to our IT Investment which make this possible. We continuously increase bar for our competition and pass on huge benefits to our customers. We pride our self to be most innovative company in the field we are in. We continuously seek feedback from Customers and Product provider to develop a better working relationship.

INDUSTRIES SERVED

- ➔ Petrochemical
- ➔ Oil Field
- ➔ Construction
- ➔ Paper
- ➔ Automobile
- ➔ Marine
- ➔ Refinery
- ➔ Mining
- ➔ Cement
- ➔ Power Generation
- ➔ Fertilizer
- ➔ Steel
- ➔ Wood Processing
- ➔ Water
- ➔ Pharmaceutical
- ➔ Electrical Distribution

Oilfield & Mechanical

We provide products and solutions to Oilfield & Mechanical which mainly includes Air & Pneumatic Actuators, Anchors, BOP Control Parts, Centrifugal Pumps and Spares, Compressor Spares, Drilling Equipment's, Explosion Proof Alarm, Signal, Control and Communications Equipment, Gate Valves and Spares, Hose, Pipe, and Grease Flanges, Engine and Transmission Parts, Metal and Plastic Hand Pumps, Mud Testing Equipment, Screws and Fasteners, Tong Dies, Valves, Pumps.

- ➔ Oil Rig And Spare
- ➔ Drilling Bits
- ➔ Drilling Fluid
- ➔ Flanges
- ➔ Valves
- ➔ Actuators
- ➔ Gaskets
- ➔ Hose
- ➔ Pump
- ➔ Engines
- ➔ Pipes
- ➔ Mud Testing Equip
- ➔ Centrifugal Pump
- ➔ Filters
- ➔ Brakes
- ➔ Air Conditioning

Please note that this is small collection of the products. We can supply various other items which do not feature in this list. If you are looking for a specific item & not found on this list, please contact us with your requirement at enquiry@hdheights.com

ELECTRICAL & INSTRUMENTATION

We provide products and solutions to Electrical & Instrumentation which mainly includes Analytical Instruments, Arresters, Breakers, Cables, Calibrators, Drilling Recorders, Fittings/Glands, Flow Monitors, Gas Analyzers, Gas Detectors, Gas Monitors, Leak Detection Equipment's, Lighting Equipment, Motors, Receptacles, Plugs, Ballasts, Power Tools, Relays & Solenoids, Switchgears, Sensors & Transducers, Transformers, Welding Equipment's & Supplies & Wiring Devices.

- ➔ Transformers
- ➔ Gas Detection Instruments
- ➔ Lighting Fittings
- ➔ Motor Control Centers
- ➔ Solar Power Systems
- ➔ Switchgears
- ➔ Generators
- ➔ Welding Equipment
- ➔ Cable Glands
- ➔ Wiring Devices
- ➔ Motors
- ➔ Transducers
- ➔ Analytical Instruments
- ➔ Terminal BlocksMother Board
- ➔ Drilling Recorders
- ➔ Grounding Equipment
- ➔ Relays
- ➔ Flow Instruments
- ➔ Diaphragm Gauge
- ➔ Reference Electrodes
- ➔ Control Equipment
- ➔ Switches
- ➔ Distribution Manifolds

Please note that this is small collection of the products. We can supply various other items which do not feature in this list. If you are looking for a specific item & not found on this list, please contact us with your requirement at enquiry@hdheights.com

MATERIAL HANDLING & SAFETY

We provide products and solutions to Material Handling & Safety which mainly includes Cable Handling Equipment , Chain & Tackle Equipment , Cranes, Drum Handling Equipment, Forklifts, Hand Trucks , Handling Equipment, Lifts, Material Feeders, Material Handling Equipment , Air Respirators, Body Protection Equipment, Disposable Respirators, Fire Extinguishers, Life Saving Equipment and General Maritime Equipment, Protective Clothing, Safety & Security Mirrors, Safety Visors with Windows, Worker Safety Solutions.

- ➔ Cranes
- ➔ Cable Handling Equipment
- ➔ Forklifts
- ➔ Chain Handling Equipment
- ➔ Hand Trucks
- ➔ Lift
- ➔ Loading Dock Equipment
- ➔ Industrial Ladder
- ➔ Material Feeder
- ➔ Ergonomic Equipment
- ➔ Drum Handling Equipment
- ➔ Material Handling Equipment

Please note that this is small collection of the products. We can supply various other items which do not feature in this list. If you are looking for a specific item & not found on this list, please contact us with your requirement at enquiry@hdheights.com

PACKAGING

We provide products and solutions to Packaging which mainly includes FIBC Bags, Fertilizer Bags, Cement Bags, Leno Bags, Sand Bags, Paper Bags, PP Woven Sack

- ➔ Jumbo Bags
- ➔ Woven Sacks
- ➔ PP Bags
- ➔ PP/HDPE Fabrics
- ➔ Leno Bags
- ➔ Sand Bags
- ➔ Paper Bags
- ➔ Shopping Bags
- ➔ Cement Bags
- ➔ BOPP Bags
- ➔ Paper Laminated Bags
- ➔ PP Woven Sack

Please note that this is small collection of the products. We can supply various other items which do not feature in this list. If you are looking for a specific item & not found on this list, please contact us with your requirement at enquiry@hdheights.com
